HOW TO USE THIS

1. Find your sector in the grey tag column. Shortlist 3–4 shows.

2. ✓ means the organiser's site shows exact dates. TBC means the dates or venue are not out yet. Do not book travel on a TBC row.

3. **Red** means the date or venue changed this year. Many Saudi shows moved in Oct 2026. Check again before you book.

4. Stand space for big shows often sells 6–9 months ahead. Ask the organiser early, even if you only want a floor plan.

5. Always confirm on the official site. Links are in the full list (shows.csv) that comes with this PDF.
